1. The Panzer, or Friderikus, Kaserne on Altruppin Allee, Neuruppin (N 53/Z 49), was occupied to capacity by about 3,000 tank troopers on 18 May 1950. About 35 officers, most of them lieutenants, but including a few majors and one lieutenant colonel, were seen walking from the officers' billets to the Panzer Kaserne. *
2. An innkeeper stated that some older troops in the installation were replaced by recruits in late April or early May 1950. There were few changes in officer personnel.
